

COMMUNITY USE OF SCHOOL VEHICLES

The use of school vehicles by community, not-for-profit, groups that are located in Wareham are subject to the approval of the Superintendent of Schools. Stipulations include that the user pays the entire cost of the trip including depreciation and that a school employee currently and appropriately licensed by the State of Massachusetts be the driver of the school vehicle. Written requests should be sent to the Transportation Department two weeks prior to date of requested use and is subject to availability of school vehicles.
