

## DISTRIBUTION OF INFORMATION

### Distribution of Materials

The Superintendent or designee may permit the distribution of materials for community-service, not-for-profit types of organizations. No private, profit-making enterprises will be permitted to distribute any kinds of materials. Any exceptions to the policy will require School Committee approval.

### Posters

The Superintendent or designee may permit a limited number of posters to be placed in the school for the purpose of advertising community-service types of activities sponsored by not-for-profit groups.

### Announcements

Announcements approved by the Superintendent or designee may be made by the principal or designee for community-service, not-for-profit types of organizations. No announcements will be made for any private, profit-making organization.
