

Spring/Fall Club Report

Clear Form

WAREHAM PUBLIC SCHOOLS

Name of Club/Activity

Fall

Advisors:

Spring

I. Student Involvement

How many students are active in the club?

What was the average number over the last 3 years?

Does your attendance vary from season to season?

Is enrollment in this club increasing or decreasing?

Student Names and ID Numbers

II Activity

List the name and nature of program events, services, products, or competitions that the club produces/participates in each year?

III Time

How many times a month does the club meet?

On average, how many hours do you meet?

Is this always the same or does it vary?

How many contract hours do you spend with students over the course of the school year?

IV Evaluation

Are your activities/events attended by the public?

Are your activities/events reported in the press?

Do participants receive special recognition?

Do you compete directly against similar programs?

Do you accumulate a won-loss record?

If so, what was the average W/L record of the last 3 years?

Are students able to use your program as a springboard for college, career, or private pursuit?

V Parental/Community Involvement

Is there a parent group that supports your activity?

If so, how many parents are active?

List of business partners or organizations in the community or elsewhere with which you negotiate in order for your program to function.

List of any schools or educational institutions with which you negotiate in order for your program to function.

VI Support of the Academic Curriculum

List areas in the Curriculum Frameworks (not specific references) which this activity supports.
