

The following list is the "Master List" for the Education Channel Archive at Wareham Community Television. Most of these programs 1989 - 2009 were produced by the Viking Television Club at Wareham High School. In 2010, WCTV contributed to the production of many of the videos and will continue to do so.

If you wish to purchase any of these discs the cost is \$5.00 (cash only) and the money will go to the WHS A.V. Club Scholarship Fund. You may contact Christian Fernandes who is heading up the production and maintaining of the archive.
