September 2016

Welcome Back!

Wareham Middle School would like to welcome our students and their families back for another great school year. There are a number of new and improved initiatives going on at WMS. Viking Time was created this year to ensure that students were provided a chance to meet in small groups with a teacher to discuss how we can create a positive culture in the building. STEAM opportunities continue to be offered in Grade 7 and 8 and this year we have introduced a Humanities Academy. In-house field trips focused on team building will be a central part of the 7th Grade Academy experience during the month of September.

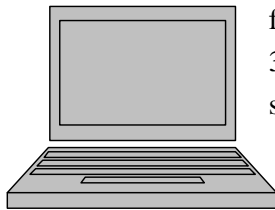

Open House

The Wareham Middle School would like to invite parents and guardians to attend our Open House on Wednesday, September 14th from 5:00 P.M. - 6:30 P.M.

Progress Reports

All students will receive their progress reports for term 1 on September 30th. They should be signed and returned to your child's homeroom teacher. Late buses are available on Tuesdays and Thursdays for extra help.

PTA

The Meadowbrook Farms fall fundraiser went home during the second week of school. The orders are due by September 20th. Box Tops are due by October 14th.

PTA meetings are held on the second Thursday of every month in the WMS library. The next meeting will be on October 14th from 6:00 P.M.-7:00 P.M.

Nature's Classroom

The first informational meeting for the parents of students in seventh grade who are planning to attend Nature's Classroom will be held on Wednesday, September 14th at 6:45 PM, directly following Open House. If you have any questions, please contact Mrs. Andrews at Jessandrews@wareham.k1.2ma.us.

One Day, One Goal

On Wednesday, September 21st students will be participating in a program called "One Day, One Goal." The idea behind the program is to promote peace. Students in all grades will have the opportunity to play soccer at the end of the day. Also, guest speaker Jerry Ackerman will be speaking to each grade level. Mr. Ackerman is a motivational speaker who talks to students in various grade levels about succeeding when faced with adversity.
