

EDUCATIONAL SERVICES TO STUDENTS
IDENTIFIED AS HOMELESS OR UNACCOMPANIED YOUTH

Section 725 (2) of the McKinney-Vento Homeless Assistance Act, which applies to the Wareham Public Schools, defines:

- Homelessness as individuals who lack a fixed, regular and adequate nighttime residence or have a primary nighttime residence in a supervised, publicly or privately operated shelter for temporary accommodations
- Unaccompanied youth as youth who are homeless; not in the physical custody of a parent/guardian; and not in the custody of a state agency

This definition includes:

- Children and youth who are sharing the housing of other persons due to loss of housing, economic hardship or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals or are awaiting foster care placement;
- Children and youth who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations;
- Migratory children living in conditions described in the previous examples

The McKinney-Vento Homeless Education Assistance Act requires that school districts immediately enroll a homeless or unaccompanied student, even if they do not have the documents usually required for enrollment, such as school records, record of immunizations, medical records or proof of residency. Homeless and unaccompanied youth covered by the Act are also entitled to other services or program benefits in the general categories of enrollment in school of origin, transportation, access to comparable services, access to preschool programming, access to the reduced/free lunch program and Title I services.

The Wareham Public Schools will implement all statutes and regulations and assist students and families designated as homeless.

The Wareham Public Schools will designate a Homeless Education Liaison who will coordinate activities between the family and school officials.
